Smile Train Speech Games & Practice Privacy Policy

Introduction:

The 501c3 organization Smile Train, Inc. ("us", "we", or "our") operates the Smile Train Speech Games & Practice App (the "Mobile App"). This Privacy Policy provides information about the collection, use and disclosure of personal information from users of the Mobile App. We encourage parents to supervise their children during use of the Mobile App.

Information Collection and Use

We do not collect, use or disclose any personally identifiable information. No personal information can be added or provided to download, launch or use the Mobile App. Any personal information entered into the Mobile App, including voice recordings, are only stored locally on the device for the intended use of the primary user and owner of the Mobile App. We do not use or collect your precise geographic location.

Analytics Software

Like many site operators, we use third party services like Google analytics to anonymously gather limited information on the usage of our Mobile App. Google analytics collects such data points as the regional location of users and the language setting of our Mobile App. The identification of the regional location and language is primarily for internal operations to improve our charitable activities. We do not use Google analytics in a way that gathers or utilizes personal information.

Changes To This Privacy Policy

This Privacy Policy is effective as of February 16, 2018 and will remain in effect except with respect to any changes in our provisions in the future, which will be in effect immediately after being disseminated. We reserve the right to update or change our Privacy Policy. Your continued use of the Mobile App after we disseminate any modifications to the Privacy Policy will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.
